EXPERIENCE

Edunet Foundation

Jul 2025 – Aug 2025

Full Stack Web Development Intern

- Completed a 6-week internship focused on full-stack web development.
- Developed responsive web applications using frontend and backend technologies.
- Implemented authentication systems and dynamic web features.
- Collaborated with peers to design, test, and document application functionalities.
- Gained hands-on experience building scalable and user-friendly applications.

PROJECTS

Fake News Detection System — Python, Machine Learning, Scikit-learn

- Developed a machine learning model to classify news articles as real or fake using NLP techniques.
- Applied TF-IDF feature extraction and trained supervised learning models.
- Evaluated performance using accuracy, precision, recall, and F1-score.

Financial News Extraction and Analysis — Python, NLP

- Built an NLP-based system to extract insights from financial news articles.
- Performed text preprocessing, sentiment analysis, and keyword extraction.
- Generated structured information for financial analysis.

Local Civic Issue Reporter — Node.js, MongoDB, HTML, CSS, JavaScript

- Developed a platform for citizens to report and track local civic issues.
- Implemented user authentication, issue submission, and status tracking.
- Used Node.js and MongoDB for backend development and data management.

Movie Booking System — React.js, PHP, MongoDB

- Developed a movie ticket booking system with user authentication, seat selection, and booking features.
- Built responsive user interfaces using React.js and implemented backend functionality using PHP.
- Utilized MongoDB for managing user information, movie schedules, and booking records.

EDUCATION

SRM Institute of Science and Technology

2023 – 2027

B.Tech in Computer Science and Engineering (AI & ML)

CGPA: 7.8/10

Srinivasa Junior College (ALLEN), Tirupati

2021 – 2023

Intermediate Education

935/1000

Sri Chaitanya School, Tirupati

2021

Class X

CGPA: 9.75/10

SKILLS

Programming Languages: C, C++, Python, JavaScript, SQL

Web Technologies: HTML, CSS, Bootstrap, PHP

Database: MySQL

Tools: Git, GitHub, Jupyter Notebook, Google Colab

Microsoft Office: Word, Excel, PowerPoint

AI Tools: ChatGPT, GitHub Copilot, Claude AI

Soft Skills: Leadership, Communication, Team Collaboration, Documentation, Presentation Skills, Time Management

CERTIFICATIONS

- Java SE 17 Developer Certification – Oracle (2026)
- Full Stack Web Development Internship Certificate – Edunet Foundation (2025)
